## PRE-EMPLOYMENT DISCLOSURES

### Please Read Carefully, Initial Each Paragraph and Sign Below

I hereby certify that I have not knowingly withheld any information that might adversely affect my chances for employment and that the answers given by me are true and correct to the best of my knowledge. I further certify that I, the undersigned applicant, have personally completed this application. I understand that any omission or misstatement of material fact on this application or on any document used to secure employment shall be grounds for rejection of this application or for immediate discharge if I am employed, regardless of the time elapsed before discovery.

\_\_\_\_\_  
Initial

I hereby authorize DFA of CA to thoroughly investigate my references, work record, education and other matters related to my suitability for employment and, further, authorize the references I have listed to disclose to the company any and all letters, reports and other information related to my work records, without giving me prior notice of such disclosure. In addition, I hereby release the Company, my former employers and all other persons, corporations, partnerships and associations from any and all claims, demands or liabilities arising out of or in any way related to such investigation or disclosure.

\_\_\_\_\_  
Initial

I understand that nothing contained in the application, or conveyed during any interview which may be granted or during my employment, if hired, is intended to create an employment contract between me and the Company. In addition, I understand and agree that if I am employed, my employment is for no definite or determinable period and may be terminated at any time, with or without prior notice, at the option of either myself or the Company, and that no promises or representations contrary to the foregoing are binding. **Only the President of DFA has the authority to make any agreement contrary to the foregoing and then only in writing.**

\_\_\_\_\_  
Initial

In the event my employment is terminated, and I contend that such termination was wrongful or otherwise in violation of conditions of my employment or was in violation of any express or implied condition, term or covenant of employment, whether founded in fact or in law, including but not limited to the covenant of good faith and fair dealing, or otherwise in violation of any of my rights, I and DFA agree that my exclusive recourse shall be to submit any such matter to binding arbitration pursuant to the provisions of the Federal Arbitration Act (9 U.S.C. 1, et seq.) if applicable, or the provisions of state law permitting and enforcing arbitration agreements if the Federal Arbitration Act does not apply to my employment, within one year of termination of my employment. In arbitration, if DFA and I are unable to agree upon a neutral arbitrator, a list of arbitrators from the federal or state Mediation and Conciliation Service will be obtained by DFA. I (first) and then DFA will alternately strike names on the list until only one remains: the remaining person will be the arbitrator. Where applicable law requires a different selection process, the required process will be used.

I agree that such arbitration shall be the exclusive forum for any dispute arising out of my termination. If DFA does not receive a written request for arbitration from me within one year from the date of my termination, I agree I will have waived any right to raise any claims, in any forum, arising out of the termination of my employment at DFA. I further expressly agree that in arbitration, my exclusive remedy for alleged violation of terms, conditions, or covenants of employment shall be a money award not to exceed either (1) the amount of wages I would have earned from the date of my termination to the date upon which the arbitration hearing begins less any interim earnings I may have had, or (2) the amount of wages I would have received for one year from the date of my termination less any interim earnings I may have had, which ever is less, and I shall not be entitled to any other remedy, at law or in equity, including but not limited to reinstatement, other money damages, punitive damages and/or decision of the arbitrator in any appropriate court with jurisdiction to do so.
